Mr. Mokbel Shukri  
Aqaba Packaging Co.  
Aqaba, Jordan

Dear Mr. Shukri,

Request for Proposals  
New Storage Facilities at Aqaba

It gives me great pleasure to introduce to the Aqaba Ports Corporation the two companies Netupsky International of Vancouver and Westeel Industries of Winnipeg as prominent Canadian consulting engineering firms with internationally respected position.

Netupsky International Ltd. has been active in the Middle East region since 1978 and is one of the Canadian companies in which we put great hopes to develop further business relationships between Canada and Jordan.

I would be pleased to provide further information about the Canadian companies, should it be required.

Yours sincerely,
